

Job Title: Front-End Developer

Location: Ho Chi Minh City, Vietnam

Lespoir's client is a rapidly growing technology company that specializes latest artificial intelligence algorithms and web development. We are seeking a talented and motivated Front-End Developer to join our team in Ho Chi Minh City. The ideal candidate will have experience in React Native, React or JavaScript.

Responsibilities:

- Collaborate with back-end developers to create engaging user experiences
- Develop high-quality, responsive mobile applications using React Native, React, and JavaScript
- Optimize mobile applications for maximum speed and scalability
- Stay up-to-date with emerging trends and technologies in front-end development
- Participate in code reviews and provide feedback to ensure code quality and maintainability
- Continuously improve development processes and workflows

Requirements:

- Freshers and intern may apply.
- Must be proficient in Javascript, React native or React
- Knowledge of cross-platform development and mobile application deployment
- Strong problem-solving skills and attention to detail
- Must have excellent written and verbal communication skills in English
- Interested to become full-stack developer in the future.
- Prefer experience with UX/UI web, wordpress and mobile app design, Python, Nodejs.

Bonus Skills:

- Understanding of artificial intelligence and machine learning concepts, including the usage of ChatGPT and other AI technologies

We offer a competitive salary package and opportunities for growth and development. As a company focused on artificial intelligence, we encourage our employees to continue learning and exploring new technologies.

If you are passionate about web and mobile development and interested in expanding your knowledge to include artificial intelligence, we encourage you to apply. Part-time candidate and interns with a strong interest in mobile development and a willingness to learn new technologies are also welcome to apply.

To apply, please send your resume and a brief cover letter [hr@lespoir.vn](mailto:hr@lespoir.vn). We look forward to hearing from you! To receive updates on job vacancy like us her:
